

Pablolledo.com LLC approved as Registered Education Provider by Project Management Institute

Puerto Rico, United States – 9 October 2015 – Pablolledo.com today announces that the Project Management Institute (PMI), the world's largest project management member association, has named it as a Registered Education Provider (R.E.P.). R.E.P.s are organizations that have been approved by PMI to help project managers achieve and maintain the Project Management Professional (PMP)[®], Program Management Professional (PgMP)[®] and other PMI professional credentials. These organizations have met PMI's rigorous quality criteria for course content, instructor qualification, and instructional design.

Project managers are increasingly turning to R.E.P.s for certification training and maintenance, especially since global median salaries for the profession now exceed \$88,000 (USD). Pablolledo.com offers a wide variety of training materials at an affordable price for students and organizations who use Pablolledo.com materials to complement their exclusive training courses.

Pablolledo.com now joins more than 1,500 R.E.P.s in more than 80 countries. These organizations include commercial training providers, academic institutions, and corporate training departments within corporations and government agencies.

About Pablolledo.com LLC

Pablo Lledó is an author, professor and entrepreneur. In the past 15 years he has trained more than 20,000 people and has written eight project management books. In 2012 Pablolledo.com was created in the U.S. to consolidate Pablo's publications and exam simulators to prepare PMI certifications. Today, Pablolledo.com products and services are some of the most popular in Latin America. Visit us at www.pablolledo.com

About Project Management Institute (PMI)

Project Management Institute is the world's leading not-for-profit professional membership association for the project, program and portfolio management profession. Founded in 1969, PMI delivers value for more than 2.9 million professionals working in nearly every country in the world through global advocacy, collaboration, education and research. PMI advances careers, improves organizational success and further matures the profession of project management through its globally recognized standards, certifications, resources, tools academic research, publications, professional development courses, and networking opportunities. As part of the PMI family, Human Systems International (HSI) provides organizational assessment and benchmarking services to leading businesses and government, while ProjectManagement.com and ProjectsAtWork.com create online global communities that deliver more resources, better tools, larger networks and broader perspectives.
